Religion as Experience (Classic Reprint) (Paperback)

By John Wright Buckham

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Religion as Experience The following addresses and articles, all concerned with aspects of a central theme, will, I think, exhibit a unity, and I hope a harmony, such as to warrant bringing them together in a volume. The varied viewpoints of the reviews in which the articles appeared indicate how widely welcomed is the discussion of religion as experience. My thanks are extended to The University of California Chronicle, The Constructive Quarterly, the Methodist Quarterly Review, The Hibbert Journal, The Homiletic Review, and The Biblical World for permission to use the respective articles accredited to each in the text. Further indebtednesses will appear to the reader as he pursues his way; and others there are which neither writer nor reader can define, including One which I trust has not been unfelt throughout.
