Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1906 Excerpt: . . . a report giving the results of the years work, and in accordance with this plan a report covering the first six months of the operation of the system was prepared at the beginning of 1905 and issued early in the year (Bulletin No. 204). This report, which was prepared by Messrs. Fuller, Lines, and Veatch, contains discussions of the importance of well records and an account of the organization of the work of collecting records and samples, a full description of the methods of work, a list of the persons cooperating in furnishing samples or records, a summary of wells reported, and the results and detailed records of a considerable number of wells. From its beginning, on July 1, to September 15 the work of the sample system was carried on by Mr. Veatch, assisted by Mr. E. F. Lines. On Mr. Veatchs voluntarily relinquishing the...
