If he can count all the stars in the sky, his wish is fulfilled, says mom. Even though it will not work, of course, he does not give up hope. He argued with his friend, was angry at the teacher and forgot to go to school. When he finds one by chance in the zoo, he changed his mind. A book to read for children over 4-years-old. Anne Viviers (Voorburg, 1943) started to write poems and short stories at an early age. Since her retirement, she had all the time and attention to write. An unexpected encounter with an old classmate led to this slumbering children s tale.
