In the selection of a dwelling place there are many considerations which have a bearing in arriving at a decision in regard to the desirability of any given locality. The first question which naturally arises is as to its healthfulness; secondly, as to the facilities afforded for the gaining of the comforts of life, then, as to whether with these things provided for, are the conditions such as to contribute to the highest enjoyment of these prime necessities of human existence. These questions are fully answered elsewhere in this volume. Topographically considered, the beauty of the landscape delights the eye of the lover of nature. Nestling amid these everlasting hills on a broad plateau elevated many feet above high water mark, overlooking a rapidly flowing stream, no destructive cyclones on the one hand, nor miasmatic vapor, on the other, arise to destroy the lives or mar the healthfulness of the people; while the rich mineral deposits and fertile soil contribute to the comfort and prosperity of the residents, inviting the capital and energy of those located elsewhere. It is with a view to calling attention to these advantages that this book has been prepared, in the hope that an examination into the moral, social, educational and business advantages of Blairsville may lead those...
