Algebra and Trigonometry (3rd International edition)

By James Stewart, Lothar Redlin, Saleem Watson

Cengage Learning, Inc. Paperback. Book Condition: new. BRAND NEW, Algebra and Trigonometry (3rd International edition), James Stewart, Lothar Redlin, Saleem Watson, This best selling author team explains concepts simply and clearly, without glossing over difficult points. Problem solving and mathematical modeling are introduced early and reinforced throughout, providing students with a solid foundation in the principles of mathematical thinking. Comprehensive and evenly paced, this book provides complete coverage of the function concept, and integrates a significant amount of graphing calculator material to help students develop insight into mathematical ideas. The authors' attention to detail and clarity, the same as found in James Stewart's market-leading "Calculus text," is what makes this text the market leader.
