Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of the report is to determine the potential for increased grain exports from Russia and Ukraine. The report reviews the evidence on the productivity of agricultural production, and explores some of the causes of inefficient practices. Results of the analyses show that implementing institutional reforms would allow productivity and efficiency in the agricultural sector to improve. Consequently, completing the reform program could allow Russia and Ukraine to emerge as significant grain exporters in the future.
