Partridge Singapore, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.You may be working; drawing water from the well to drink or to water the plants and the trees and that has a meaning. Or you may be just sitting on your garden bench and listening to the birds chirping and seeing the bees and the butterflies flitting from one flower to another going about their daily work of pollinating and making honey and that too has a meaning. However, when you see young able bodied men take tiffins or Dabhas from homes to offices and factories navigating the parcel of food through crowds and peak hour traffic and using cycles or buses or trains, when the customer could take his own lunch to work, you wonder where meaning has gone. Then you also realise that there are so many other things that we do in life that are unnecessary and so many things we should be doing and we don t. With this realization, perhaps there comes a change. Hope you will read this book about Vithal Hegde who starts as a Dabhawala and moves on to find a meaning in his life. The proceeds of this book will go to Fr Agnel s Technical College in Bandra to help Young Dabhawalas seeking to learn a trade.
