Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****.Daphne est une gamine de douze ans (bientot treize), plutot deluree et espiegle, le genre a l aise dans ses baskets . Son tonton apparait comme un sympathique quadragenaire, fort cultive et philosophe a ses heures. Entre ces deux personnages, vont se derouler des dialogues philosophiques a la mode Antique, au cours de cinq promenades, qui permettront a Daphne d aborder et de comprendre tous les secrets de la metaphysique. Dans ces dialogues, pimentes d humour et de taquineries, les notions les plus serieuses seront abordees et les theories philosophiques les plus complexes seront expliquees avec grande clarte. En lisant ces dialogues, vous decouvrirez avec Daphne, que tout n est qu illusion: angoissante verite existentielle ou thematique pour intellectualiser vos soirees entre amis ? Ce sera a vous de choisir. En complement, l ouvrage se termine par une captivante nouvelle de science-fiction: Larsen cosmique . Presentation de l editeur: Loin de la philo rebarbative de nos annees lycee, l auteur reussit a nous amuser et nous instruire en meme temps. On a la un petit livre, mais qui comporte un grand potentiel de reflexions. Expliquer la metaphysique comme a un enfant de 12 ans. C est le pari qu a fait l auteur. Et il semble bien l avoir reussi !.
