Lean Out

By Dawn Foster

Watkins Media. Paperback. Book Condition: new. BRAND NEW, Lean Out, Dawn Foster, Sheryl Sandberg s business advice book, "Lean In, " was heralded as a defining moment in attitudes to women in business. But for all its commercial success, it proposed a model of feminism that was individualistic and unthreatening to capital. In her powerful debut work "Lean Out, " acclaimed journalist Dawn Foster unpicks how the purportedly feminist message of Sandberg s book neatly exempts patriarchy, capitalism and business from any responsibility for changing the position of women in contemporary culture. It looks at the rise of a corporate 1% feminism, and at how feminism has been defanged and depoliticised at a time when women have borne the brunt of the financial crash and the gap between rich and poor is widening faster than ever. Surveying business, media, culture and politics, Foster asks whether this trickledown feminism offers any material gain for women collectively, or acts as mere window-dressing PR for the corporations who caused the financial crash. She concludes that leaning out of the corporate model is a more effective way of securing change than leaning in.".

Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- ***Prof. Greg Herzog***

It is great and fantastic. Better then never, though i am quite late in start reading this one. Its been written in an extremely simple way and is particularly only right after i finished reading this ebook where actually changed me, affect the way i really believe.
