Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Originally formatted from the Free Our Girls interactive and intense training session that covers the objectives outlined by the Department of Homeland Security: Define Human Trafficking Understand the Difference Between Smuggling, Trafficking, and Prostitution Recognize Populations Vulnerable to Human Trafficking Recognize Indicators of Human Trafficking We are the only training program that provides a certification card to each trainee, verifying their completion of the course. In the near future, this type of training will be mandatory for service providers and industry sectors that have been identified as having high rates of contact with at-risk persons, potential victims, and their traffickers. The book takes a look specifically at how groups and individuals can best reach and respond to those affected by human trafficking. This book was written by a trained professional and survivor of human trafficking, who offers a unique perspectives on best practices and targeted ideas. After completing our certification, groups and individuals will always have access to Free Our Girls as a resource for additional information on human trafficking and developing their own prevention and response plan. We proudly display the business or group s logo on our website as a member of our community who is aware of the issue of human trafficking and who is taking an active role in preventing and responding to it. Free Our Girls can empower your staff and educate your organization in a variety of ways. Whatever your role is within our community, you have the ability to prevent and respond to human trafficking. It is only when our community is aware of the complexities of human trafficking that we can then work together to respond to...
