Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehended every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Not illustrated. 1896 Excerpt: .lines traverse every section of the city, and extend for miles out into the surrounding country, and to adjacent towns and villages. From my home on Bella Vista Avenue there can be seen at night the beautifully-lighted cars on six electric lines. Many an hour, in the gloaming and later, I have watched these fiery chariots as they seemed to glide on magic pinions, bearing their precious freightage of human life in so many different directions, and they have seemed like so many heavenly messengers, bearing good tidings and blessings to our race. And these nightly visions have been preceded and accompanied by daily concerts of the sweetest music ever heard on earth--not the music of human voices blended in almost divine harmony, nor the music of skilfullyconstructed instruments swept by deft and artful fingers, but the music of human toil and industry, the sound of pick and shovel, and the frequent roar and reverberation of mighty blasts tearing the needed paving rocks from the adjacent hills. To the heart that loves our race, there is no music so sweet, so inspiring, as these tuneful tones of human progress, and for years the city of Oakland has been one grand concert hall, in which that music has been daily heard. Three times a day--in the morning and evening at six, and at high noon--is heard the deep-toned and repeated boom, and here and there the clouds of smoke are seen rising from the quarries upon the...
