There are many general references that offer explanations and advice on what Adjutants should do, and how to be an Adjutant; in fact the magnum opus of our craft is found in a book called God s Armorbearer,1 by Elder Terry Nance In historic times knights were military operatives who were appointed to the service of monarchs and other high-ranking nobles. In our time the Adjutancy serves the highest-ranking leadership of the Church. Over the course of these pages, we have attempted to convey an image of the Adjutancy that reinforces this idea of Christian kighthood.
