Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a short but comprehensive look at Islam s past and future from a Western perspective. From the preface: These essays, written for the Fortnightly Review in the summer and autumn of 1881, were intended as first sketches only of a maturer work which the author hoped, before giving finally to the public, to complete at leisure, and develop in a form worthy of critical acceptance, and of the great subject he had chosen. Events, however, have marched faster than he at all anticipated, and it has become a matter of importance with him that the idea they were designed to illustrate should be given immediate and full publicity. The French, by their invasion of Tunis, have precipitated the Mohammedan movement in North Africa; Egypt has roused herself for a great effort of national and religious reform; and on all sides Islam is seen to be convulsed by political portents of ever-growing [Pg vi]intensity. He believes that his countrymen will in a very few months have to make their final choice in India, whether they will lead or be led by the wave of religious energy which is sweeping eastwards, and he conceives it of consequence that at least they should know the main issues of the problem before them. To shut their eyes to the great facts of contemporary history, because that history has no immediate connection with their daily life, is a course unworthy of a great nation; and in England, where the opinion of the people guides the conduct of affairs, can hardly fail to bring disaster. It should be remembered that the modern British Empire, an agglomeration of races ruled by public opinion...
