In view of this. my community organized a well-known early childhood education experts. produced a set of Enlightenment learning book specifically designed for preschoolers. Preschoolers is premature to hold a pencil. and there does not look good impact on the child's physiological development. But in the meantime some colored pencils or crayons to draw some circles. straight lines. etc. both to promote hand-eye coordination. but also conducive to the intellectual development of children to stimulate muscle grasp. Set enlightening book. at least. being to follow the basic principles of education edutainment. spelling. math. literacy and other aspects of cognitive training game. the child unknowingly exercise the powers of observation of the child. among children thinking and behavior. Do not have to worry about to choose what book to the children was the most appropriate. and do not have time to spend a lot of money to buy Miaohong. maze. connect the dots. and so a lot of book learning. Preschoolers attention is very short. a book is the same content. tend to make the child feel that learning is a chore and lose interest. Young children no longer feel boring. dull. every turn a page has a fresh discovery. to attract children to continue learning going.
