Not illustrated. 1911 Excerpt: .days or turns per week was the customary working time for 17.80 per cent of the 3,584 employees in all districts, and for 27.21 per cent of the 1,830 employees in the Great Lakes and Middle West district, 5 and 6 days or turns per week, alternating, was the customary working time for 10.88 per cent of all employees. A comparison of the tables showing the number of days or turns per week and the number of hours customarily worked per week shows that practically all of the employees who worked 7 days or turns per week worked in effect a 12-hour shift for the 7 days a week. It is important in considering the figures showing the percentage of employees in this department working 7 days a week to remember that the occupations here reported do not include the employees working on repairs and whose...
