Little, Brown Book Group, United Kingdom, 2015. Hardback. Book Condition: New. 218 x 146 mm. Language: English . Brand New Book. Tawcester Towers, the family seat of the Lyminster family, has suffered an unwelcome injection of distant cousins, so distant that they aren t even British! Count Igor and Count Lyudmilla Bashusky had to flee Russia after the Revolution and have spent the intervening years building up debts in the hotels of Europe s capitals and sponging off ever more exasperated (and distant) relatives. The Bashusky s arrival at Tawcester Towers causes a stir, and it s up to Blotto and Twinks, that indefatigable duo, to provide a solution to get them back to Russia. Reversing the Russian Revolution and getting a Tsar back into St Petersburg s Winter Palace is just the sort of challenge the fiercely bright Twinks relishes, though her dim-witted brother Blotto shows less aptitude for the subtleties of international politics, despite his commendable bravery. The siblings soon find themselves in Berlin to try and broker a meeting with the White Russian community, and swiftly become embroiled in a world of spies, counterspies, conspiracies and counter-conspiracies. Just when things seem to be looking up, little do Blotto and Twinks realise that their plans are being monitored by the spymaster Fyodor Vlachko, a former worker on the Bushusky s estate who has now risen to a senior post in the secret police of the newly-formed Soviet Union .
