THE HOME OFFICE AND THE DANGEROUS TRADES: REGULATING OCCUPATIONAL DISEASE IN VICTORIAN AND EDWARDIAN BRITAIN (PAPERBACK)

Brill, Netherlands, 2003. Paperback. Book Condition: New. 220 x 150 mm. Language: English . Brand New Book. This book is the first in-depth study of occupational health in nineteenth and early-twentieth century Britain. As such it is an important contribution to the burgeoning literature on the history of health in the workplace. It focuses on the first four diseases to receive bureaucratic and legislative recognition: lead, arsenic and phosphorus poisoning and anthrax. As such it traces the emergence of medical...

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
