Brand New Book ***** Print on Demand *****.Excerpt from Little Brother: And Other Genre-Pictures It was of no use to tell Kate that Augustus - of the same surname, and aged seven years - was a sweet little fellow. He ought to be, considering the number of paper-bags, labelled Stewart s Assorted Candies, he consumed per week. Of as little use to say he was a child: there were some children who didn t put newspapers on the strings of their sister s piano, and play it was a banjo. Oh! he would outgrow it, would he? Then, why wasn t he sent away somewhere till he did? Or put into something, and locked up? Or put under somewhere, - a large barrel, for instance, with the head knocked out to give him air, as they do with young tomatoes and pieplants till they arrive at an age when they can come to the table?
