Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Annals of a Soul When these pages were written the writer had not in mind their subsequent publication. Therefore the reader will find no attempt at polished phraseology, no studied literary achievement, no effort as an essayist. It is in no manner a novel and there will be found no plot, nor careful building toward a climax. It is the record of one woman s life; or rather such parts of one woman s life as overflowed her small personality. Because of this overflow she turned instinctively to a diary, for to no friend could some delicate personalities be confided; to no individual however dear could she lay bear her soul. She could not intrude upon another her perplexities, her errors, her personal convictions. A diary wherein these could be recorded, where in black and white she could confront herself, would be satisfying and helpful. In her soft, womanish way she longed for a confidant. To the same degree, in a hard, womanly way did she demand a judge. Who could be one, or the other? She knew of none and so this diary has been to her the tender confidant, the unsparing judge. First, in her creation of it, then in her perusal thereof. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
