Brand New Book ***** Print on Demand *****.There is never a dull moment on a farm where a rooster, four hens, six baby chicks, and three ducks live together. Cairo Rooster is a little too proud of himself. Ariel Hen talks more than she listens. Greta Hen is a complainer. Boof Hen is lazy. All three ducks know they can be friendlier and kinder. The six chicks are too little to have bad habits--yet. But life is about to change in a big way for all the feathered creatures when they hear a great commotion near the hen house that soon causes them to think about their behavior and choices. In this creative children s story, chickens and ducks learn a valuable lesson about why it is so important to make good choices and be good role models for those around us.
