Brand New Book ***** Print on Demand *****.As a result of approximately 15 years of filing and managing consumer bankruptcy cases as an attorney, Carol L. Stokes learned too many children are growing up in households with those who live by this live today, worry tomorrow motto. The children in these households, in turn, learn by example to mismanage their finances. A cycle of poor financial management is then created. BASIC BEGINNINGS: A Finance Management Handbook for Teens and Young Adults is a resource Carol created to increase financial literacy. Imagine our young people knowing such basic concepts as budgeting, compound interest and finance charge. Imagine, even, them distinguishing an asset from a liability and learning the pros and cons of credit card use. What if our youth had a readily available resource on basic finance management? Practically every young person will grow up and have a lifetime relationship with money. The need for a foundation in basic financial management would serve the individual as well as society at-large. Adapting good financial management skills enhances lives and fosters accountability. These skills are fundamental to financial security. These young adults are learning basic reading, writing, mathematic skills as well as advanced skills in these subject areas. They are, further, learning trades in high school. Some courses even give students an opportunity to explore investment interests. How will they manage earnings from their investments? They can better manage earnings from their summer jobs, their allowances, and their respective trades if they are more money savvy. BASIC BEGINNINGS: A Finance Management Handbook for Teens and Young Adults addresses the most elementary financial principles to prepare teens and young adults to manage their money. These basic concepts are valuable...
