AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 202 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Psychology is an important and substantial component of MRCPsych theory examinations. This is an essential book for anyone appearing for these papers. It is the first book in UK comprising entirely of MCQs and Revision Notes on psychology . Subjects include, human development, learning, language and thought, attention and memory, neuropsychology, conscious and unconscious processes, perception, motivation and emotion, intelligence, personality, psychological assessment and psychometry, psychotherapies, research methodology, social psychology and social sciences. All these topics are covered in a concise and effective way. Although it is primarily written for MRCPsych examinations, it would be useful for other examinations in psychiatry and psychology as well. It is also a valuable revision aid for psychology teachers.
