Hardback. Book Condition: New. Not Signed; In a captivating and compelling voice that ranks with many of our greatest memoirists, Laura Bush tells the story of her unique path from dusty Midland, Texas to the world stage and the White House. An only child, Laura Welch grew up in a family that lost three babies to miscarriage or infant death. She masterfully recreates the rugged, oil boom-and-bust culture of Midland, her close relationship with her father, and the bonds of early friendships that she retains to this day. After graduating, she became an elementary school teacher and, at the age of thirty, she met George W. Bush, whom she had last passed in the hallway in seventh grade. Three months later, 'the old maid of Midland married Midland's most eligible bachelor'. As First Lady of Texas, Laura Bush captures presidential life in the frantic and fearful months after 9-11, when fighter jet cover echoed through the walls. She writes openly about the threats, the withering media spotlight, and the transformation of her role. One of the first U.S. officials to visit war-torn Afghanistan, she reached out to disease-stricken African nations and tirelessly advocated for women in the Middle East and dissidents in Burma. Laura Bush's compassion, her grace, and her uncommon willingness to bare her heart make this story deeply revelatory, beautifully rendered, and unlike any other First Lady's memoir ever written. book.
