Fundacion Editorial Juridica Venezolana, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As is have said on other occasions, when I thought about this book I never thought of it as a religious book, nor one of those books that remain untouched in our bookshelves. I saw it as a book to scribble in, to write notes in the margins to be reviewed later. To be able to go back to it, without any order. A book to be opened almost hap-hazardly, and reflect on what is written there. A sort of spiritual Rayuela This is how I conceived this material, as a fellow traveler on the road of life, like that friend who is with us in moments of deep search and reflection. For this reason I dedicate these thoughts to my urban flock. Tal cual como lo dije en otra oportunidad, cuando pense esta publi-cacion, nunca vi en el un libro de religiosidad, asi como tampoco en uno de esos libros que permanecen intocables en nuestra bibliote-ca. Lo vi como un libro para rayar, para hacer anotaciones en los margenes y volver. Siempre volver sin ningun orden. Un libro para abrir de manera casi fortuita y reflexionar sobre lo que alli esta es-crito. Una suerte de Rayuela espiritual. Es asi como concibo este material, como un companero de viaje en el camino de la vida; co-mo ese amigo que nos acompana en los momentos de mas profun-da busqueda y reflexion. Por esta razon dedico estas reflexiones a mi rebano urbano.
