Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, Knitted Vegetables, Susie Johns, You do not need an allotment to produce this abundant crop of vegetables - just needles, yarn and a little knitting know-how. Ranging from everyday carrots and peas to more exotic chili peppers and artichokes, you can whip up a whole basketful of fun novelty knits in the time it takes to do your shopping! The projects are small, self-contained and relatively quick to complete. These knitted vegetables would make good novelty gifts: make one or two for friends, or a whole basketful to sell at a fete or bazaar. They would also make ideal 'play food' for children. Best of all, they are fun to make.
