If this is the way you enjoy using the runes and other oracles, this book is for you. Chances are, it is full of questions you have never asked yourself before as well, along with more than 14 ways to use the runes to generate art, music, and more. This system of higher development using the runes will thoroughly exercise both your mind and heart, never become routine, offer you daily surprises, help you focus, and take you places youve never been before. While this system is easy and fun to use, it is also profound and powerful. A unique chart inspired by Ken Wilbers 4 quadrants is included for rune play. Your Knowing Heart could be called your truth sense or profound intuition. It is like a golden compass within you, providing you with meaning, purpose, and direction in life.
