Language and Gender

By Nicole Fürch

GRIN Verlag Okt 2009, 2009. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,3, Otto-von-Guericke-University Magdeburg (Institut für Anglistik), language: English, abstract: While the most obvious function of language is to communicate information with other people, language also contributes to two other important functions: to establish and maintain social relationships and to express and create the social identity of the speaker. These functions may be recognized less often because information such as class or race is conveyed not as much through what we say, as through how we say it. In other words, information is conveyed as much by how we compose our utterances as through the precise character of our thought. This is certainly true of gender. All of us have different styles of communicating with other people. Our style depends on a lot of things: where we are from, how and where we were brought up, our educational background, our age, and it also can depend on our gender. Generally speaking, men and women talk differently although...
