Fearing China: Asking the Questions: Should We Fear China? (Paperback)

By Terry Duaine Wittenmyer

Zebra Cat Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The U.S. media and politicians tell us that China is a threat to our very survival, claiming that they take our jobs, pollute the world, repress their own people, and represent all that is opposed to our values and our way of life. However, Terry Wittenmyer takes on the media, the politicians, and the experts to show you why China should not be feared. Go on a journey of exploration to learn what s unfolding in China today, and along the way, discover important moments from China s past that influence its present. Look beyond the headlines and into the statistical facts and the untold rest of the story, to better understand China s rise. With each chapter, you ll be challenged to consider a different path for U.S.-China relations-a path that considers China not as our greatest threat, but as our greatest opportunity. The news headlines warn us of the growing threats from China. We re warned to fear China s military buildup, which threatens the Pacific region, and their exponential economic growth, which...
