Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

Blue Hag Books, United States, 2011. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.When President Linda Travis is briefed at gunpoint and told of the human-alien conspiracy that secretly controls her government, she does something none of her predecessors thought to do: she runs. During the chase that ensues, from the rural mountains of Vermont to the arctic wilderness of Bathurst Island, through the underground blackness of the aliens Ottawa Lodge to the bewildering landscapes of the astral realm, Linda encounters both obstacles and aid where she least expects them. Along the way, she is forced to face fully the converging crises of energy, economy, and environment that threaten the entire world, and to confront deep assumptions about the nature of reality itself. Only by doing so is she able to see clearly what she must do to help her people. ALL OF THE ABOVE is a sci-fi/conspiracy thriller, reflecting the stresses and urgencies of the near future, as the oil sputters, the dollar dwindles, the climate careens, and the geopolitical landscape lurches underfoot. ALL OF THE ABOVE is a different sort of love story, exploring how the human heart can guide us through challenging times. ALL OF THE ABOVE is a journey to a possible next paradigm, an adventure with one foot planted in the current worldview of separation and materialism and the other foot taking tentative steps into a conscious universe of connection and collaboration. ALL OF THE ABOVE is Book One of the NONE SO BLIND series, which follows President Linda Travis and Cole Thomas across the decades and through the cosmos. Confronted with the collapse of the global industrial culture into which they were born, and stripped of their fundamental expectations and beliefs by the...
