Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Compendium of the Episcopacy is not simply another book about the bishopric. It is, instead, a handbook offering a concise set of information that can be useful for training men and women aspiring to the fine work of the episcopacy - and those already serving in this fine work - regarding the history, rituals, vestments, and protocols pertinent to this anointed office. The Compendium gives an exploratory account of the development of the episcopacy, from the time it was first transmitted to the early successrs to the Apostles. It pinpoints the places where the various streams of Apostolic Succession began; and answers the pertinent questions as to where the numerous streams of Succession have an impact upon the episcopacy, within Apostolic and Pentecostal community. By seeking out historic truths for ourselves, we won t need to follow every new trend that comes along in ministry; and won t participate in useless arguments - especially with individuals who won t give due diligence to the cause of learning; and/or who are so stuck in ignorance...
